

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. *I would from truth my lady's praise supply,  
Resembling her to lily and to rose;  
Brighter than morning's lucid star she shows,  
And fair as that which fairest is on high.  
To the blue wave I liken her,—and sky,—  
All color that with pink and crimson glows,—  
Gold—silver—and rich stones; nay, lovelier grows  
E'en Love himself, when she is standing by.  
She passeth on so gracious and so mild,  
One's pride is quenched, and one, if sick, is well;  
And they believe, who from the faith did err;  
And none may near her come by harm defiled.  
A mightier virtue have I yet to tell —  
No man may think of evil, seeing her.*

GUIDO GUINICELLI, XIII. CENTURY.

## A FAULTLESS MIRROR.

This curious glass will bring your faults to light,  
Present your virtues more transcendent bright;  
Your neighbor's failings gently cover o'er,  
And on your heart a sweet reflection pour.

---

As high turrets for their airy steep  
Require foundations in proportion deep,  
And lofty cedars as far upward shoot  
As to the nether heavens they drive their root,—  
So low did her secure foundations lie,  
She was not humble—but humility.

DRYDEN.

## BEST WHITE PAINT.

Pure as the mountain snows, no poison mars  
Nor blights its beauty with succeeding scars.

---

## GENUINE ROUGE.

Touch with this compound the soft lily cheek,  
And the bright glow will best its praises speak.

24

I have marked  
A thousand blushing apparitions  
Start into her face, a thousand innocent shames,  
In angel whiteness, bear away those blushes.

Tell me,  
Hast thou beheld a fairer gentlewoman?  
Such war of white and red within her cheeks?  
'Tis beauty truly blent, whose red and white  
Nature's own sweet and cunning hand laid on.

SHAKESPEARE.

## LOTION TO SMOOTH WRINKLES.

A daily portion of this essence use,  
'Twill smooth the brow, and tranquil joy infuse.

20

All great souls still make their own content.  
We to ourselves may all our wishes grant,  
For, nothing coveting, we nothing want.

DRYDEN.

## SOLUTION TO PREVENT ERUPTIONS.

It calms the temper, beautifies the face,  
And gives to woman dignity and grace.

nd

Of all God's workes which doe this world adorne,  
There is no one more faire and excellent  
Than human body, both for powre and forme  
Whiles it is kept in sober government.  
But none than it more foul and indecent  
Distempered through misrule and passions base  
It grows a monster, and incontinent  
Doth lose its dignity and native grace. —

But in a body which doth freely yield  
Its parts to Reason's rule, obedient,  
And letteth her that ought, the sceptre wield,  
All happy peace and goodly government  
Is settled there, in sure establishment.

SPENSER.

CHOICE LIP-SALVE.

Your lips, if you this precious balm apply,  
Will redden, and breathe sweeter melody.

100

The woman singeth at her spinning wheel  
A pleasant chant, ballad, or barcarolle;  
She thinketh of her song upon the whole  
Far more than of the flax, and yet the reel  
Is full, and artfully her fingers feel  
With quick adjustment—provident control  
The lines, too swiftly twisted to unroll  
Out to a perfect thread. I here appeal  
To fellow-workers all, that we may do  
Our Father's business in these temples mirk.  
Thus swift and steadfast—thus intent and strong—  
While thus apart from toil, our souls pursue  
Some high, calm, spheric tune, and prove our work  
The better for the sweetness of our song.

MRS. BROWNING.

## BEST EYE-WATER.

These drops the poor and wretched can supply,  
They add fresh lustre to the brightest eye.

24

The liquid drops of tears that you have shed  
Shall come again transformed to orient pearl,  
Advantaging their loan with interest,  
Oftentimes double gain of happiness.

SHAKESPEARE.

A MIXTURE GIVING SWEETNESS  
TO THE VOICE.

At morning, noon, and night this mixture take,  
Your tones, improved, will richer music make.

1

The soul of music slumbers in the shell  
Till waked and kindled by the master's spell;  
And feeling hearts, touch them but rightly, pour  
A thousand melodies, unheard before.

ROGERS.

## SELECT BOUQUET.

May the sweet fragrance which these flowers express  
Exhale in every act, to cheer and bless.

24

There are many more shining qualities of mind, but none more useful than Discretion. This gives value to all the rest, and turns them to the advantage of the possessor.

ADDISON.

## A RING OF TRIED GOLD.

Without an end 't is like eternity,  
While fiery tests but prove its purity.  
Then let the golden circlet ever be  
Fit emblem of true love's fidelity.

20

Time, Force, and Death,  
Do to this body what extremes you can ;  
But the strong base and building of my love  
Is as the very centre of the earth,  
Drawing all things to it.

SHAKESPEARE.

## A TRUE TIME-PIECE.

Each little moment which so swiftly flies,  
If well improved, becomes a precious prize.

nd

Let us take the instant by the forward top;  
For we grow old, and on our quick decrees  
The inaudible and noiseless foot of time  
Steals, ere we can effect them.  
Omission to do what is necessary  
Seals a commission to a blank of danger.

SHAKESPEARE.

## NECKLACE OF PUREST PEARL.

This ornament embellishes the fair,  
And teaches all the ills of life to bear.

44

What man is raised on Fortune's wheel aloft,  
Let him not triumph in his bliss elate;  
For when she smiles, with visage fair and soft,  
Then whirls she round, reversing his estate.  
Fresh was the verdure in the sunny croft,  
Yet soon the withered flow'rets met their fate;  
And things exalted most, as chanceth oft,  
Fall from on high to earth with ruin great,  
Therefore ought none too greatly to rejoice  
In greatness, nor too fast his hope to hold:  
For one that triumphs, great pain is to fail.  
But lowly meekness is the wiser choice;  
And he must down, that is too proud and bold,  
For every mountain stoopeth to the vale.

BUONAGGIUNTA OF LUCCA.

## A PRICELESS GIRDLE.

The more in use the brighter it will glow,  
Though its least merit is external show.

NU

---

Oh! how much more doth beauty beauteous seem  
By that sweet ornament which Truth doth give.

SHAKESPEARE.

Convince the world that you're devout and true,  
Be just in all you say and all you do,  
Whatever be your birth you're sure to be  
Peer of the first nobility.

JUVENAL.

---

## INVALUABLE BRACELETS.

Clasp them on carefully each day you live;  
To good designs efficiency they give.

Nothing is so difficult but may be overcome  
by industry.

TERENTIUS.

Whatsoever thy hand findeth to do, do it  
with thy might.

## DIAMOND PIN AND EAR-JEWELS.

Adorn your bosom with this precious pin,  
It shines without, and warms the heart within :  
While with these drops appended to your ear,  
Words of true wisdom you will gladly hear.

Charity suffereth long, and is kind.  
Charity envieth not,—is not puffed up,—  
Doth not behave itself unseemly,—seeketh not  
her own,—  
Is not easily provoked,—thinketh no evil,—  
Rejoiceth not in iniquity, but rejoiceth in the  
truth,—  
Beareth all things,—believeth all things,—  
Hopeth all things,—endureth all things.

---

He that hath ears to hear, let him hear.

## A PRECIOUS DIADEM.

Who e'er this precious diadem shall own,  
Secures herself an everlasting crown.
